SEQUOIA PERSONNEL SERVICES

## WORKPLACE SOLUTION #6: *Co-Employment*

### **Partner with the experts and improve your bottom line.**

When Sequoia Personnel Services becomes your full service human resources department, you have more control over your growing business. In a Co-Employment arrangement, the business owner controls the employee's daily objectives and core job functions while Sequoia Personnel assists with personnel-related tasks giving you the extra edge you need to succeed. Our customized approach blends seamlessly with your company culture while enhancing your proficiency.

Under Sequoia Personnel's umbrella of coverage, you secure long-term cost containment for expenses that are often highly unpredictable. Utilize our experienced Risk Management Team to manage claims and mitigate your exposure to costly insurance rate increases and potential compliance issues. Plus, with our turn-key benefit packages, you will increase employee satisfaction while attracting top talent - a competitive advantage typically reserved for large employers.

### **MORE CONTROL • CONTAIN COSTS • MANAGE RISK**

### **Our employer services eliminate the biggest hassles in your day!**

Sequoia Personnel understands the burden and stress that comes with being a business owner. We significantly reduce your employment risks by providing professional assistance with:

- Payroll Taxes
